Audio and visuals

A venue requires a competent and experienced technical crew to ensure a top quality production. The Heartfelt team can create a package to suit your exact requirements.

STAGE DESIGN

We understand that leaving a lasting impression on your guests is of the utmost importance. That is why we offer a variety of stage designs that will integrate with your lighting setup and take your event to the next level.

DECOR & FURNITURE

Basic furniture and decor that can be provided as required. From tables viewings to sample decor, our demo setups will help you with the look and feel of your event in planning.

MEDICS, SAFETY & SECURITY

We can handle everything relating to the safety of your event from the JOC approval & safety officers, to the event security & medical services. We will ensure your event is safe and runs smoothly.

Conference Room

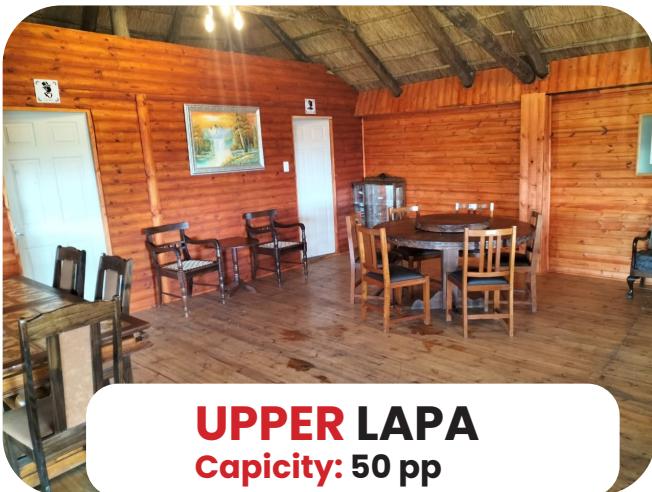

The Conference Room offers an ideal space for banquets and smaller sized conferences. This venue includes a satellite kitchen, air conditioning, and basic furniture. This venue also includes a built-in stage and all conferencing equipment.
